EXPERIENCE

Web Developer

DARE NETWORK, BENGALURU | **September 2024 - Present**

Tech and Design Lead

BASTIAN CONSULTANTS, BENGALURU | **January 2024 - June 2024**

Led web development projects using custom code and no-code tools, providing strategic guidance on the most effective solutions. I also educated clients and team members on the technical and creative aspects. Additionally, I contributed to creative projects by providing design and video editing expertise.

Flutter Developer (later Team Lead)

SRV IT HUB PVT. LTD., KANNUR | **January 2023 - January 2024**

Responsible for maintaining existing apps used by thousands of users and developing new ones. The role involved projects like a job portal, waste management system, airport information app, e-commerce app, etc. Collaborated closely with the entire team to find efficient ways to approach problems and tried to one-up the team by sharing knowledge.

Flutter Developer

SASPRO TECHNOLOGIES, MANGALURU | **June 2022 - December 2022**

Single-handedly designed and developed an app from scratch that lets businesses manage tasks assigned to field workers. Came up with optimal solutions to meet customers' needs. Pointed out vulnerabilities in APIs and helped fix them through research and back-to-back communication with the back-end team.

UI/UX Designer
